

# COMMUNITY BLOOD DRIVE

The Crown Pointe Academy warmly invites you to participate in a special blood drive held in loving memory of our beloved teacher, Adina Felten, who bravely fought cancer last year.

Adina dedicated 28 years of her life to teaching 4<sup>th</sup> grade students at CPA. Through nearly three decades of service, she touched the hearts of students, families, and colleagues alike with her kind heart, unwavering passion for teaching, and her commitment to making a difference.

Beyond the classroom, Adina was a devoted wife, mother, sister, daughter, and friend. Someone whose presence radiated warmth and love.

Through her cancer journey, Adina faced every challenge with grace, strength, and courage. Like many other cancer patients, she relied on blood & platelet transfusions during her treatment.

To honor her legacy, we are coming together to give back in a way that reflects her generous spirit, by donating blood to help others in need.
