# **CPA SUMMER MATH CHALLENGE**

## **6th- 8th Grade Directions:**

Throughout your Summer Break, keep your mind sharp and practice your math skills!

1. Complete the following packet. You only need to do 1 page per week!
2. Turn this sheet in at the beginning of the school year to earn a prize and party!

**Goal:** Complete the entire packet of math work and be ready for the upcoming school year.

\*Use resources if math concepts are too challenging. Especially on fractions. Try your best and you'll still get credit.

# CPA SUMMER READING CHALLENGE

## 6th-8th Grade Directions:

Throughout your Summer Break, keep your mind sharp by reading!

1. Choose a book to read by yourself or with someone else
2. **Read for at least 30 mins**
3. Mark the date, book title, and minutes read next to the number
4. Turn this sheet in at the beginning of the school year to earn a prize and party!

**Goal:** Complete 40 days of reading and keep track on this sheet! That would be at least 1,200 minutes of reading over the summer!
